No. 6 **Bang Ja**

This chapter "The Tale of Bang Ja" is based on the classic literary story, "Chun Hyang". In that story Bang Ja was the lifelong servant of Mong Ryong and the lover of Chun Hyang.
Bang Ja was an important character who, in addition to being devoted to his master, managed to do the right thing at the right time, making up for his dumb, but comedic, actions at other times. "The "Chun Hyang" story would not have been as entertaining or interesting without the sidekick Bang Ja.

The enduring popularity of "Chun Hyang" is largely owed to the character of Bang Ja. Even today, the theatre of Korea continues to showcase the play "Bang Ja" which casts Mong Ryong and Chun Hyang as the sidekicks of Bang Ja. In the past, I once watched this play together with my girlfriend (cries)!

The actual character of Bang Ja in "Shin Angyo Onshi" was based on Ninja Toun in the story "Shoumajinwa Senki" (War Records of the Little Demon) written by Yang Kyung-Il. He was the most popular character from any of Yang Kyung-Il works. Even the author was fond of him and once remarked that he would have loved to have had Ninja Toun featured in another story. I researched the character's personality and physical description and created the character "Bang Ja" Isn't this guy a bag of laughs? (Laughs)

One last point, and this is a very big secret, the character Ninja Toun is based directly on Yang Kyung-Il himself. Ho Ho! (Laughs)

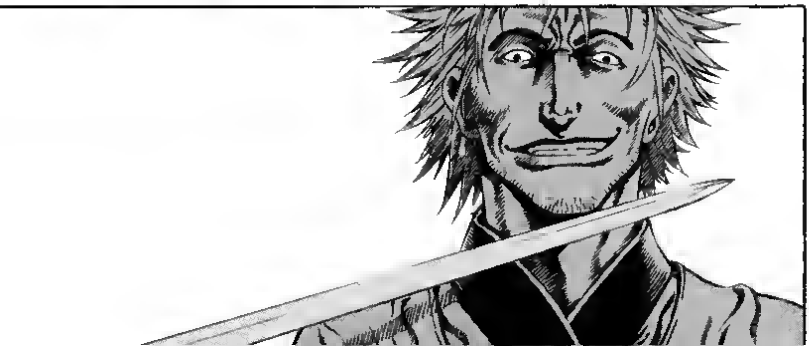
So I'm gonna take my anger out on you.
Too bad you caught me at a time when I'm feeling pissed...
All someone like you has to do is use a little brainpower and you can attain a life of luxury!
Us warriors have to go to the battle field in order to earn a living!



Since you're saying that...
then how about I take my anger out on you...
I BELIEVE YOU KNOW FULLY WELL

Thank you for your help General.

At the very least, please tell me your name
I'll never forget your kindness.
Ah, my glasses cracked.

5

PLEASED TO MEET YOU.
MY NAME IS AJI TAE...

What an annoying dream
Huh... where is this place?

6

I became dead drunk and...
Now I remember... because I haven't had wine in awhile...

.....

!
Whoa! You're awake, Master Onshi!
You were sweating a lot so I stayed and wiped off the sweat all night
Did Master have a nightmare last night?
so I carried you up here to rest
So heavy
You fell asleep at the bar

A week? A month? If you plan on feeling out the public's sentiment you should at least
Speaking of which, how long does Master Onshi plan on staying in this town?
I used special ingredients to make this. It's especially good for hangovers.
Come breakfast is ready. Please have some

When did I ever tell you to do this?
I told you not to follow me
UGGHH
I don't have the time to play cooking with you
Now scram!
Ugh.
Ugh my head hurts.
It's been a long time since I've had good wine so I drank more than I should've
I have to think of a way to deal with that Benja
or there's no telling how long he'll stick to me

How do you feel?
Good morning, mister!
Can you tell me where this is. ?
Hehe.. looks like you don't remember at all.
Ugh...
But that s not surprising considering how much you drank
When you became drunk last night it was a short fat man who carried you upstairs.

Why are you staring at me like that?
Is there something on my face?

Oh? Is there something special about wearing glasses?
From what I understand, it's becoming more and more common these days.

Ah... no. It's nothing.
It's because you're wearing glasses.

Is it a friend?

WHEN I SEE YOUR GLASSES
I'M REMINDED OF A CERTAIN PERSON...

I guess it'd be more of
...an enemy

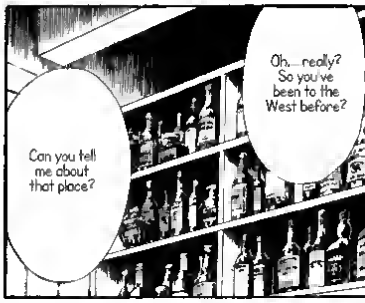
but even if that's so, there's nothing amazing about it
There're others like me?
Here, sorry about the wait
Is this the first time you've seen this? It's Western style Suchikutta.
It's very effective for treating hangovers.
What kind of vegetable is this?
Hm?

Oh? So you know about it?

A long time ago I...
stayed in the West for a period of time...

First you soak the meat in oil for a bit...
and then you add peppers and stirfry it right?

Sure but Id like to ask you something first
What s this town like?



Oh... really? So you've been to the West before?
Can you tell me about that place?

12

Id like to know what the governor who rules this place...
is like.

By principle our country prohibits free trade.
But I also understand because the central government that was Jushin is no more...

Looking at your attire and the furnishings of this place...
you guys deal with the West quite frequently, right...

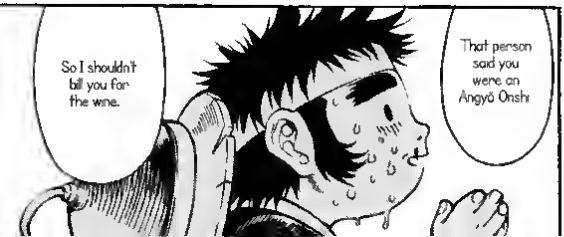
You really are an Angyô Onshi right?

Traveller...? But don't Angyô Onshis all like to disguise themselves as travellers?
Also there's a person who says you're an Angyô Onshi

Hahaha... Angyô Onshi?
I I'm just a traveller...

It was hm

Ah
What? Who said that?



That person said you were an Angyô Onshi
So I shouldn't bill you for the wine.

Ugh!!
!?
BASTARD! IT'S YOU AGAIN!!

Ooow
Ugh

save me.
So...

キィン

Hehehe... so an Angyō Onshi eh...
If Won Sul Ran knew about this, he'd be really happy.

PFFT.

What an idiot
You should've figured it out when you saw the charm

Won Sul?
What?

"Fuaron" was a division composed of the strongest sword wielders of Jushin of old.
Won Sul was the one who had the most right to represent the group and thus, was awarded with the name of "Ran..."
It's that Won Sul born from Jushin's "Fuaron Division."
That's right.

is here as the highest official in charge of the Melting Path Penitentiary.
Currently, Won Sul Ran, under orders from Lord Aji Tae.
Haha... the Lord definitely wouldn't be in such a remote place as this...
Nobody knows of his movements.
AJI TAE!?
to keep order in this area
We're only under orders from Lord Aji Tae...
IS THAT BASTARD IN THIS TOWN!?

The Lord's objective is to once again
bring this world's order into the midst of "chaos."
I'll let you go this time!
Now scram!
And when you go back tell Won Sul!

Tell him that I'm already here!
Tell him the Angyô Onshi has arrived in this town!

It's to "hunt Angyō Onshi!"
Listen well...
Hahahaha! You sure scared me!
Do you know what Wen Sul's spent all his effort on lately?
In the end, they were all beheaded...
and then thrown into the volcano's opening!
There have already been many Angyō Onshi who've previously come to this place.
They still regard themselves as the comman people's saviour and the saviours of the world!

You're going to bring your own demise you idiot...
Do you really want to die that badly?
You're so annoying!!
Scram!
ドン

This town will become your burial place.
'WASH YOUR NECK' MEANS TO GET READY TO BE BEHEADED
HURRY UP AND SCRAM!!
DIDN'T YOU HEAR EARLIER HIM EARLIER!? YOU'RE REALLY ANNOYING!!
Damnit
It's like this everywhere.
Ugh ..

!

These spots !?

That blabbering bastard ...
He forgot to take the corpse away.

Building the melting path isn't their objective
Actually, the entire affair is related to the large amount of Western culture coming in!

This is the reason why they wanted to kill the Angyô Onshu
I understand now

I can guarantee that they're cultivating "narcotics!"
These spots are a side effect of a plant called "Yang Gwi Bi" at the time of bloom...

This may become a really tough battle...
You have to be extremely careful...
Narcotics ...?
...re those the things that cause hallucinations...?
Sandra...

Yes, my lord
Won Sul is the work progressing well?

Everything's going as originally planned
Of course it's going well

Yang Gwi Bi is a flower that only grows in the tropics ...
Classic.7 The flourishing flowers along the melting path PART 2
It's also known as narcotics because it's a primary component of amphetamines
And since the flower emits a poisonous fragrance, it's an extremely difficult plant to grow
Ayi Tae's favorite flower is the Yang Gwi Bi
... the proof is already abundant
Continuous inhalation of the fumes will eventually result in spots appearing all over the body and then death from a high fever

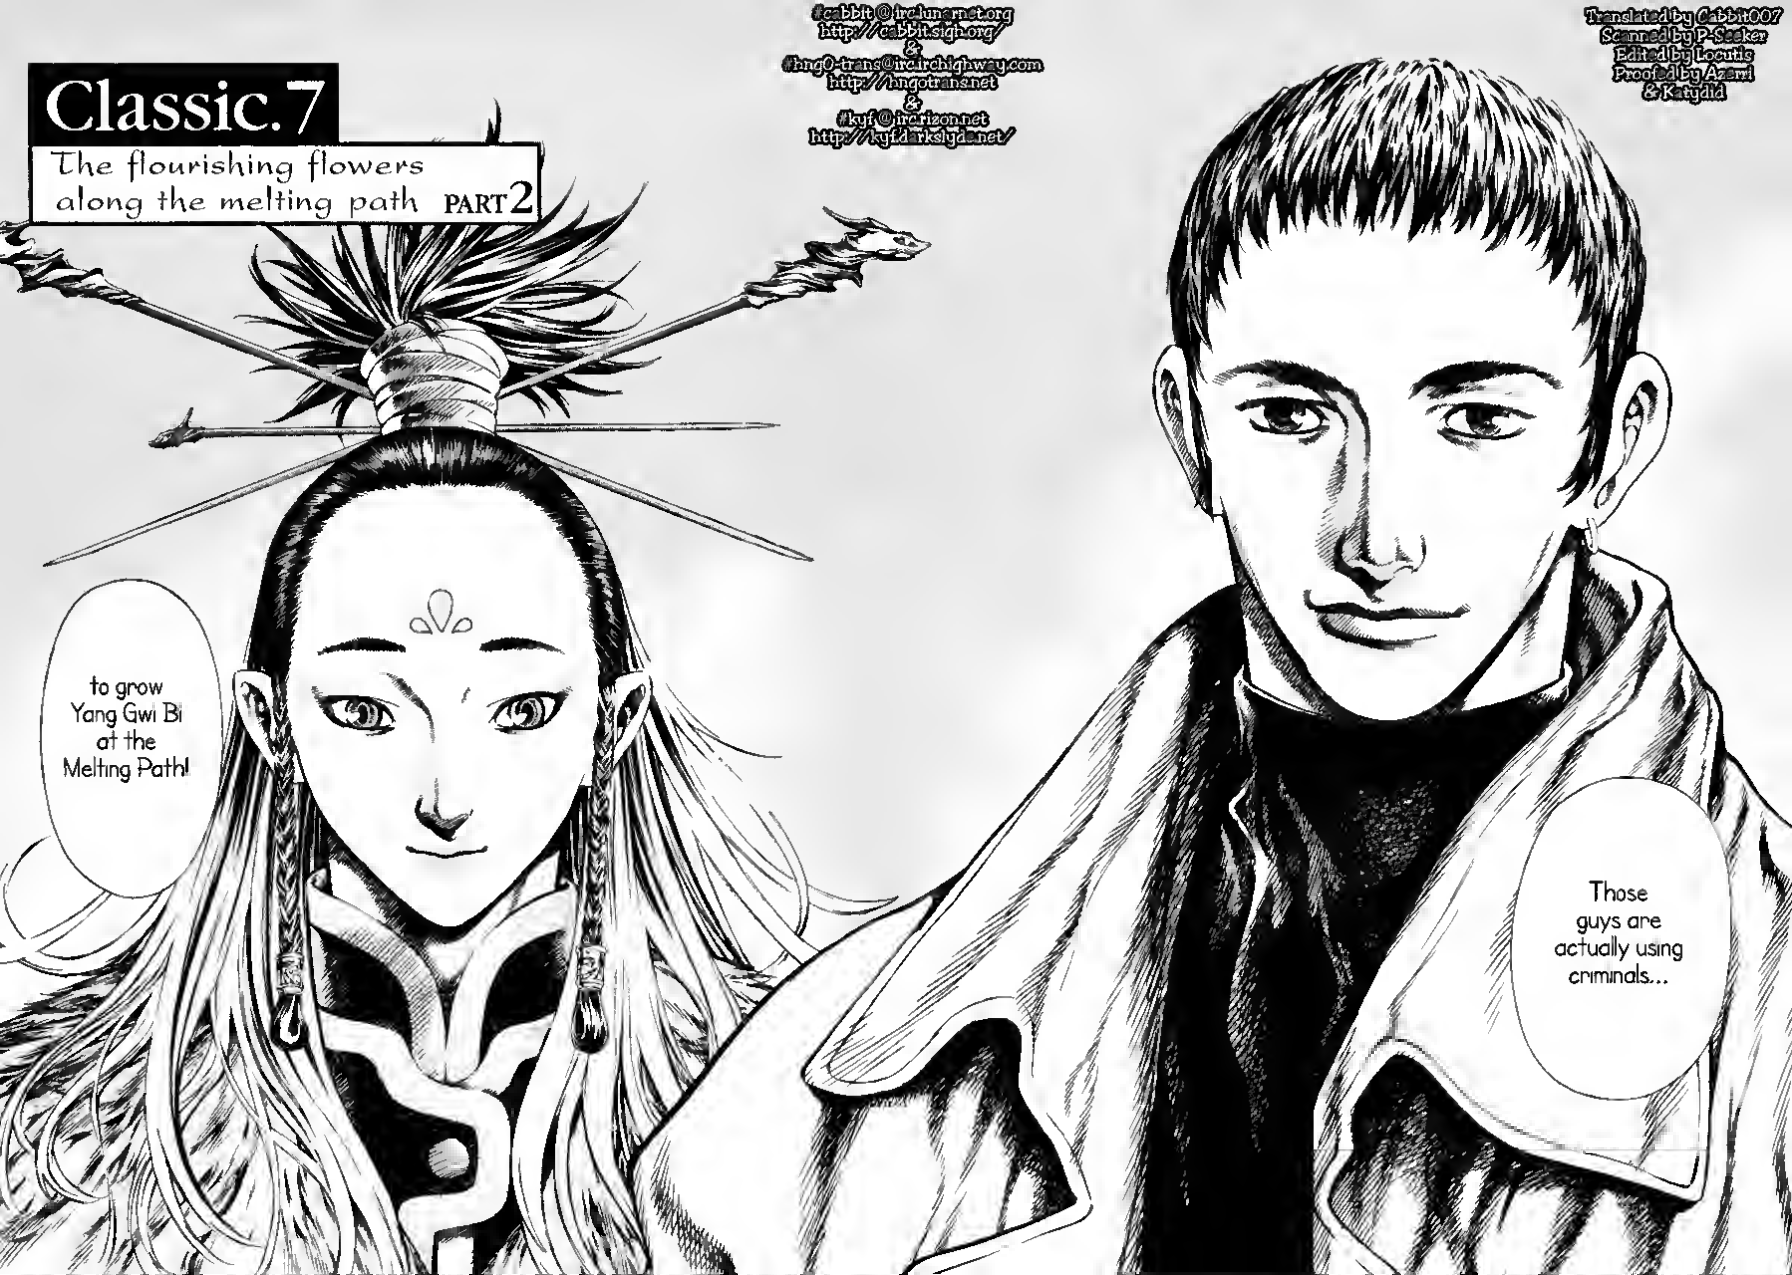
## The flourishing flowers along the melting path PART 2



4

That's great.
The demand from the West has increased so don't let up and capture more criminals.
Master Won Hyo the production of Yang Gwi Bi is very successful
Attaining this month's target shouldn't be a problem
Looks like the Westerners sure love Yang Gwi Bi

High [illegible] Yang Gwi Bi can be used to trade for the advanced weaponry of the West and gives us great power
Trading with the Westerners is beneficial to this town and at the same time beneficial to me.

I'm just doing what I should be doing.
Thank you for your praise my lord

has been extremely helpful to me as well
Of course your work devoted to hunting Angyo Onshi lately

All of this...
is for Lord Ayi Tae's wishes...

6

WHAT'S GOING ON!?
GOT ANOTHER FALLEN!!

AH!
HEY, ARE YOU ALRIGHT?

UGH!

then let me personally...
but since the governor is present today...
Oh another criminal who's been afflicted by the poison...?
What do you do with someone like that?
We kill them immediately.
Very simple we call those people the "fallen."

GET BACK TO WORK NOW!
HEY, STAND UP!

MASTER WARDEN!?

I... I'M REALLY SORRY!
I'LL TAKE CARE OF IT IMMEDIATELY!
Didn't I tell you not to be lenient on the fallen?
What're you doing?

Because you're already dead
No need

AH!?

it's been a long time
since I've seen Won Sul's

FORMLESS SWORD
SAKUHYONDO!!

Commoners like you...
Probably not
10
Can you guys... see this sword?
AH!
It's not a magical item... actually, a perfect warrior
In the highest plane of the martial way the warrior doesn't need any weapons.
Once you realize this idea... that tool has already become pointless.
To a warrior a sword is only a tool to express his killing intent
Because the killing intent of that person...
is enough to create a sword that can slice through steel by itself...

My killing intent by itself
is a sword
I'LL MAKE AN EXCEPTION TODAY...
AND LET YOU GUYS SEE THIS SWORD...

WAAAAAH!!

Wouldn't that affect the progress of work...
Oh my oh my Are you planning on killing everyone.
But while we're at it...

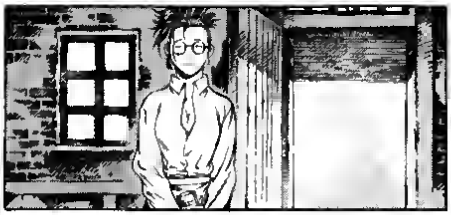
That sword
no matter how you look at it it s always beautiful

I've caused you so much trouble, I'm really sorry.
Yeah because that guy already knows my real identity...
Are you really leaving?
Haha... don't worry about it You've already compensated me for the damages and you helped me fix everything
It's been a long time since I've been this happy
I actually did wood work with a guy.
You probably don't feel well right?
Since you're going to fight against your old friends
A little...
Yeah
since their target are Angyô Onshi I won't act rashly.
That's right do you know where they're selling narcotics and weapons in this town?

Then before you were...?
Oh, is that so?
Also I haven't been here all that long.
Well... this town can be called too peaceful
I used to live at home with my husband
Afterwards, because Jushin perished, the order degraded steadily...

Huh?
No, it's nothing.
This is also something that happens quite frequently.
My husband was killed by bandits.
I really am an extremely evil person

I'll come eat your Suchikutto again
Good bye.



Once again under the light of the night, the light of the glimmering stars illuminate me as always...
A traveler without an objective...

Perhaps I need a true companion who could rid me of my darkness...
!?
Perhaps I don't want to continue hiding my name...

...
If a Banja showed up before me right now...
So if I had a Banja...

Stay there and don't move

YAAAAH!

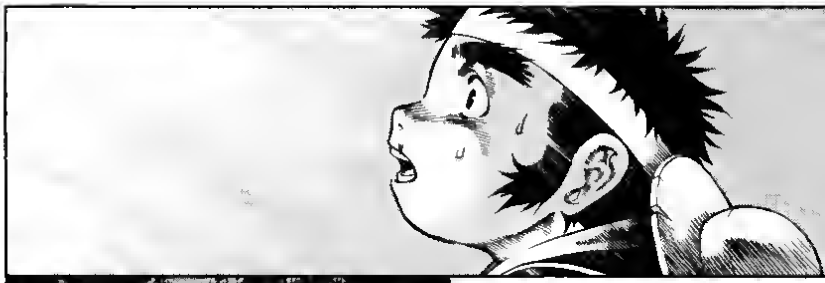
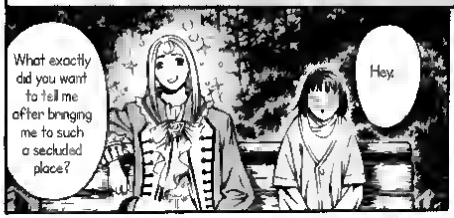
I wouldn't make you my attendant just like that right?
Which is why I have to see if you are fit to be a Banja
Don't get me wrong I'm just giving you a chance.
I called you Banja...
Ahhh!

For me... do you really...
not mind giving up your own life?





What exactly did you want to tell me after bringing me to such a secluded place?
Hey.

My love towards you is like the stars in the sky, never ceasing for all eternity.
Look at that night scene... beautiful, isn't it?
Hm.

WHO IS IT!?
!?
Oh, don't be like that...
Oh, my love.
HEHE HEHE HE...
HEHE HEHE HE...
21
CHECK OUT MY SPECIAL MOVE...
LIGHTNING PENIS!
バチバチ
Kyaaa! A pervert!
Help!!
AHAHA HAHA!!

Mr. Policemen... Mr. Policemen... this way this way!
There's a pervert over here!!
AHAHA HAHA!!

ドカドカ
ドカドカ
GYA-AAA!!

WHAT!? PER-VERT!?
ACTUALLY DOING SOMETHING LIKE THIS IN A PUBLIC PLACE!!

CATCH HIM QUICKLY!!
THERE IS THE PER-VERT!!
Ugh

and then enter the Melting Path Penitentiary!
You're going to become a criminal
.....

If you can accomplish this, I will formally make you my Banja!

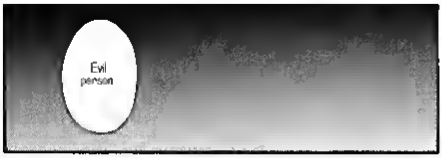
And when they're not paying attention, acquire evidence!
Your mission is to see if they're really cultivating Yang Gwi Bi!

I will definitely complete this mission successfully and then formally become your Banja!
Leave it to me, Master Onshi!

Finally got rid of that guy—

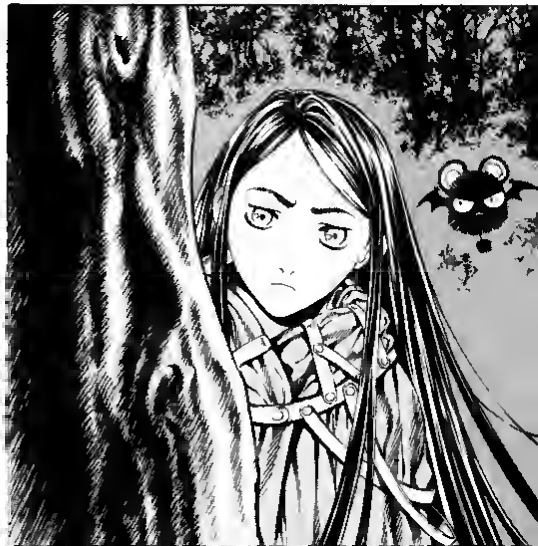
that guy is really honest
...but speaking of which
Actually

He he he!
I hope you're stuck in the penitentiary forever
What an idiot... I don't want a Banja...



Evil person

Huh?
Who?

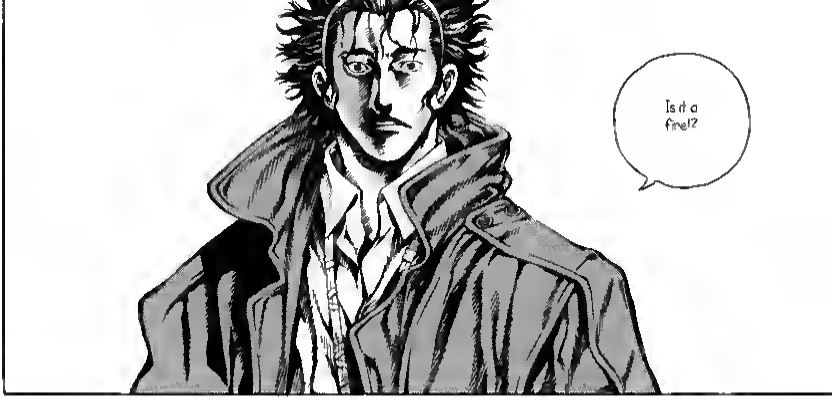


That person is really serious!
He really wants to be your attendant...

Sanda...
Did you just say something?

Evil person
Liar!

Sigh...
Being an Onshi I should be angry.



Is it a fire!?

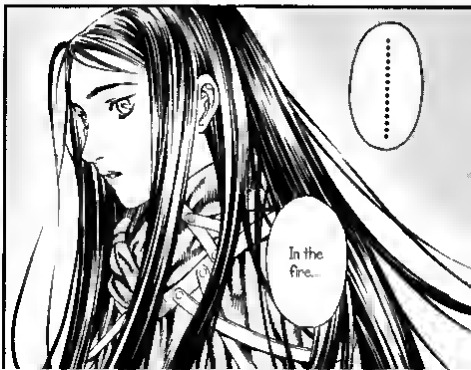
ウオオオオ
THE OWNER SEEMS TO STILL BE IN THERE!!
WAH! FIRE!
WHA!?
IS IT A FIRE FROM THE BAR?

THE REASON...
I THINK IT WAS BECAUSE THE OWNER WAS HARBORING CRIMINALS...
I HEARD IT WAS DONE BY THE GOVERNOR'S SECURITY COUNSEL!
HOW COULD THIS BE?
DO YOU GUYS WANT TO GO TO THE PENITENTIARY?
LEAVE HERE IMMEDIATELY!
WAAAAAH!!
Hehehe.
It's burning so fiercely!
YES!
Damn it! So noisy. Hey!
Hurry up and get rid of these townspeople!

Sandol?

ヴィ
oo

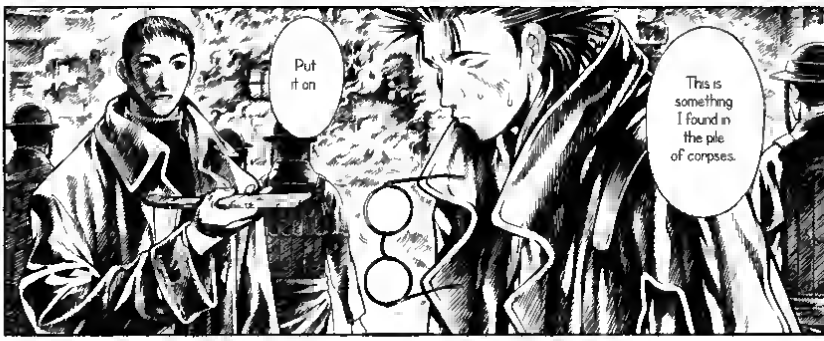
I feel
an extremely strong...



.....
In the fire...

No wonder it's Won Sul he's like a monster.
How's that? Did you find General Munsu's corpse?
Won Sul!?
Couldn't find it.
They're all corpses of the other guests.

But you've already achieved the goal
I trust that he will come after you soon
You started this fire too early.
General Munsu wouldn't fall for such childish ploys.



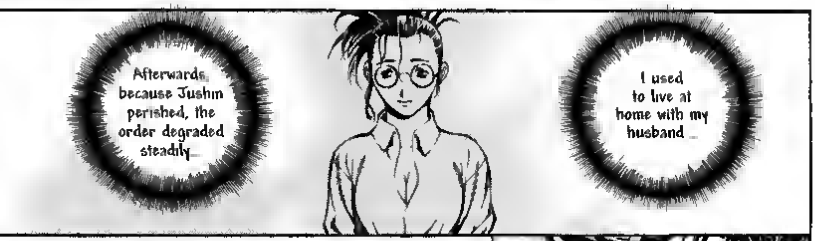
Put it on
This is something I found in the pile of corpses.

30

You think I really like seeing your sword?
...this is just an ordinary pair of glasses! I won't wear it unless it's sunglasses!

When I see your eyes I feel pissed

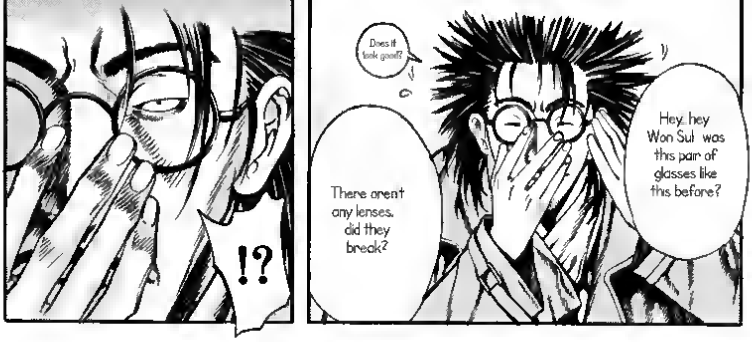
Oh looking at it closely
aren't these the bar owner's glasses.



Afterwards, because Jushin perished, the order degraded steadily...
I used to live at home with my husband...

Let's go Sanda.

I was a little over emotional just then...
Right now isn't the right time we should turn the enemy's strategy against them!



!?
There aren't any lenses, did they break?
Does it look good?
Hey, hey Won Sul was this pair of glasses like this before?

But while we're at it...

I can see very clearly.

What re you doing?
Damn. I missed!
YAH!!
WAAAAH!
GENERAL MUNSU IS IN THAT PACK OF PEOPLE!
IT'S HIM!

Prepare to fire.
.....

Wha?
BUT THIS WAY, THE OTHER PEOPLE WOULD ALSO...!
Did you not hear?
Prepare to fire arm straight ahead

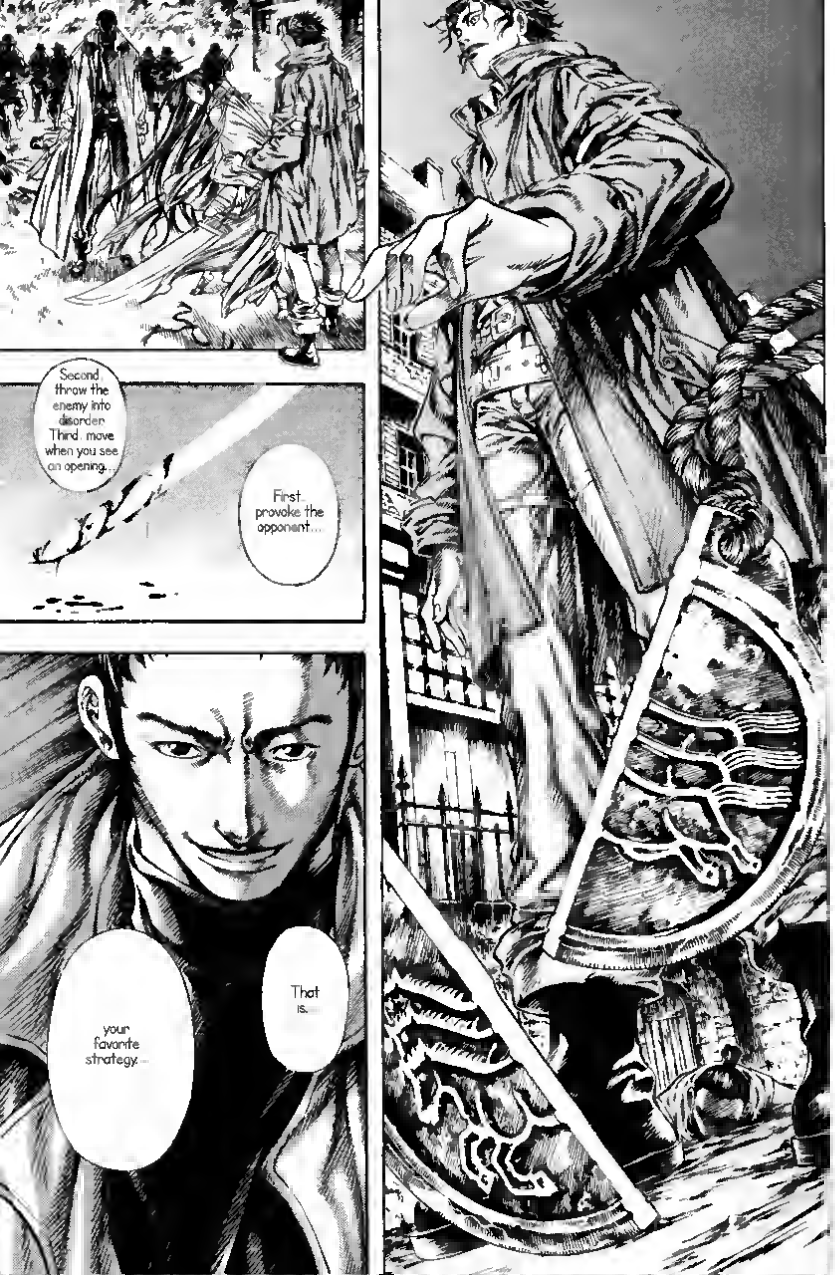
...ready!!
Don't make me say it again.

FIRE!!
UWAAAA!!
GYAA!

you!!
WON SUL!!

Yah!!
If you go out now it will be hard for me to protect you...
N... no!!

?
39
38



First, provoke the opponent....
Second, throw the enemy into disorder. Third, move when you see an opening...
That is...
your favorite strategy...

I'm so honored to be able to meet you again...
General Munsu

## The flourishing flowers along the melting path PART 3

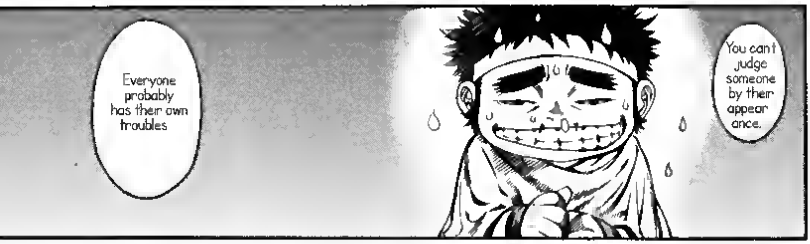
2

Ugh...
I just might be...
going to a place that is more dangerous than I thought...



You can't judge someone by their appear ance.
Everyone probably has their own troubles

INTERESTED
興味津々
Oh?
This one defintely has lots of troubles.
Oh sorry
Hi how are ya?

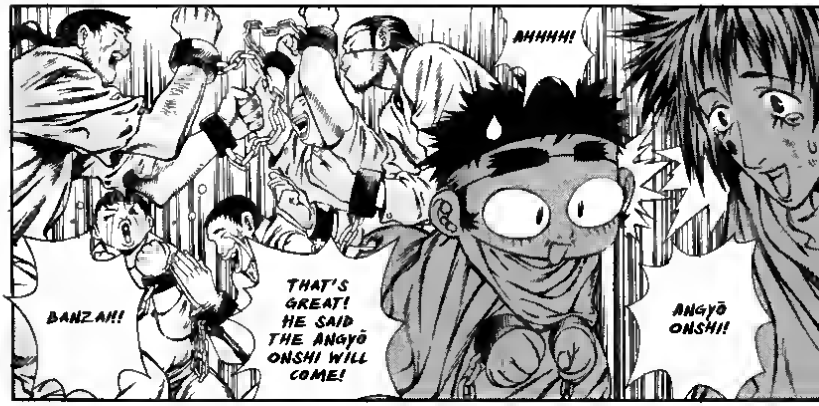
Seeing your face all sad and your entire body is radiating an air of misfortune...
Can you tell me why you were arrested?
It was because I couldn't afford the high taxes.
Before it was already hard enough to earn money to care of my sick mother But when they suddenly announced that the taxes had been doubled
The governor here used to be the high sorcerer of Jushin...
The Moon actually represents the governor
Ceremony of the Moon? Living sacrifice?
You don't know about it?
Oh my
If they use me as the living sacrifice for the "Ceremony of the Moon"
I'm really afraid

Whenever the ceremony is performed it requires one person to be the living sacrifice.
In order to ensure that his magical powers never die the governor holds the Ceremony of the Moon every month

All living sacrifices are selected from among the convicts of the Melting Path Penitentiary.
Rumors say that the selected person will have their spirit completely sucked away and then die leaving only their skin and bones.
Sucking human spirits?
What kind of magic does this governor use?
Is he more powerful than me?
Ah... it's too scary. I heard they only take the good looking people...
If I die, then mother...
.....
Don't worry
you won't die.
Actually I'm the Angyō Onshi's number one helper Bang Ja
Soon the Angyō Onshi will appear in this town
Huh?

Of course it's real!
Everyone will be saved!

You said Angyō Onshi?
Is that for real?



AHHHH!
BANZAI!
THAT'S GREAT! HE SAID THE ANGYŌ ONSHI WILL COME!
ANGYŌ ONSHI!

Was I too loud?
I guess...

WE'RE SAVED!
WAAAH!
ANGYŌ ONSHI BANZAI!

Yah well either way...

Soon, those criminals...
will receive their punishment!!!

THE ANGYŌ ONSHI WON'T BE ABLE TO ESCAPE ANYMORE!!
YOU SLICED THE MAHAI IN HALF IN AN INSTANT!
HAHAHAHA! GREAT GOING, WON SUL!!
WILL BE TOSSED TOGETHER INTO THE VOLCANO, GENERAL MUNSU!!
SOON, YOU AND THIS JUNKY PIECE OF METAL

Your skills have improved, Won Sul.

I'm not as good as you say...
It's just a hobby
Compared to when you were little you've already become someone like this...
Are you also trying to make a living in this chaotic time?
The reason why I wave my sword around...
is because I like it...
9
Also...
I've got another hobby and that is to hunt ngyō Ōnshi...
Someone like you doesn't have the right to talk about swords to me!

Is that your Sando?
Isn't she a little too inept?

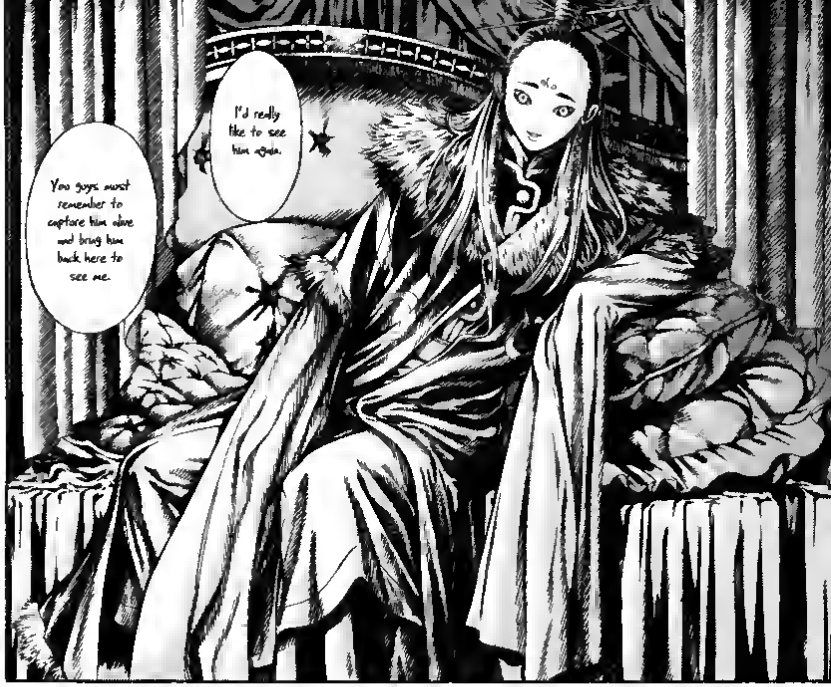
...before you were more wicked than anyone else. Now you've put on a mask of good...
Do you think you can seek redemption for your crimes by doing so?
Someone as untalented as her can't even see my sword
Could it be that you couldn't find a better Sando? You're so sad General

It makes me so disgusted... General Munsu.
Don't do anything rash, Sando.
Or even you will fall by his hands!
Sa...
Sorry...

Just waving that mahoi around...
is not enough to wash away my crimes...
That's right
What you said was correct... Won Sul...

But it can't be helped
that king that I killed with my own hands...
that best friend of mine...

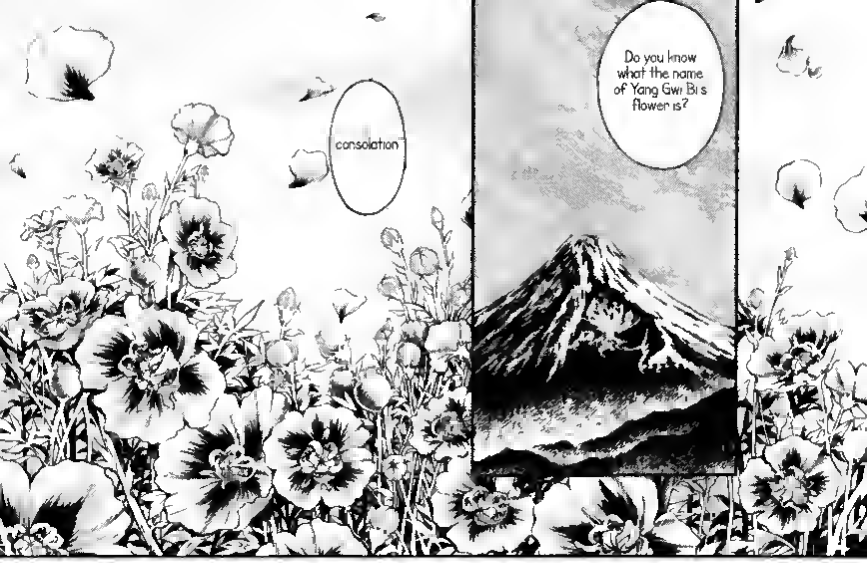
HAAAAAAA!!
So I have to continue being an Angyō Onshi...
It was his last wish before he died...
...I'm not like a certain person just passing the time...
YOU CAN'T KILL HIM RIGHT NOW!
HEY HEY, HOLD IT.
OUR TASK IS TO TAKE HIM BACK TO THE CASTLE!
WE CAME UNDER ORDERS OF LORD WON HYO!



You guys must remember to capture him alive and bring him back here to see me.
I'd really like to see him again.

DARE IT A BIT LONGER!
WHEN THE TIME COMES, WE CAN KILL HIM SLOWLY!
GOT IT? LORD WON HYO ALSO HATES HIM A LOT!
BECAUSE HE TOOK AWAY EVERYTHING!

we grow Yang Gwi Bi and then export it to the West
in this town



consolation
Do you know what the name of Yang Gwi Bi's flower is?

For our dreams, so that one day we will achieve...
...a dream you've destroyed!!

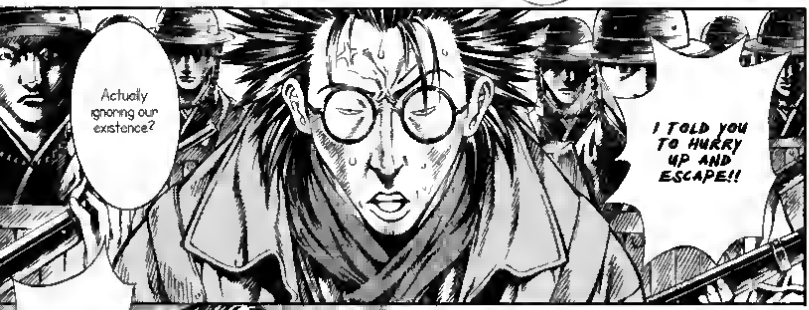
Here
we grow Yang Gwi Bi... while we seek consolation...

Tens of thousands of comrades.
have given their lives for you...

It's fine even if it's just you
who can escape...

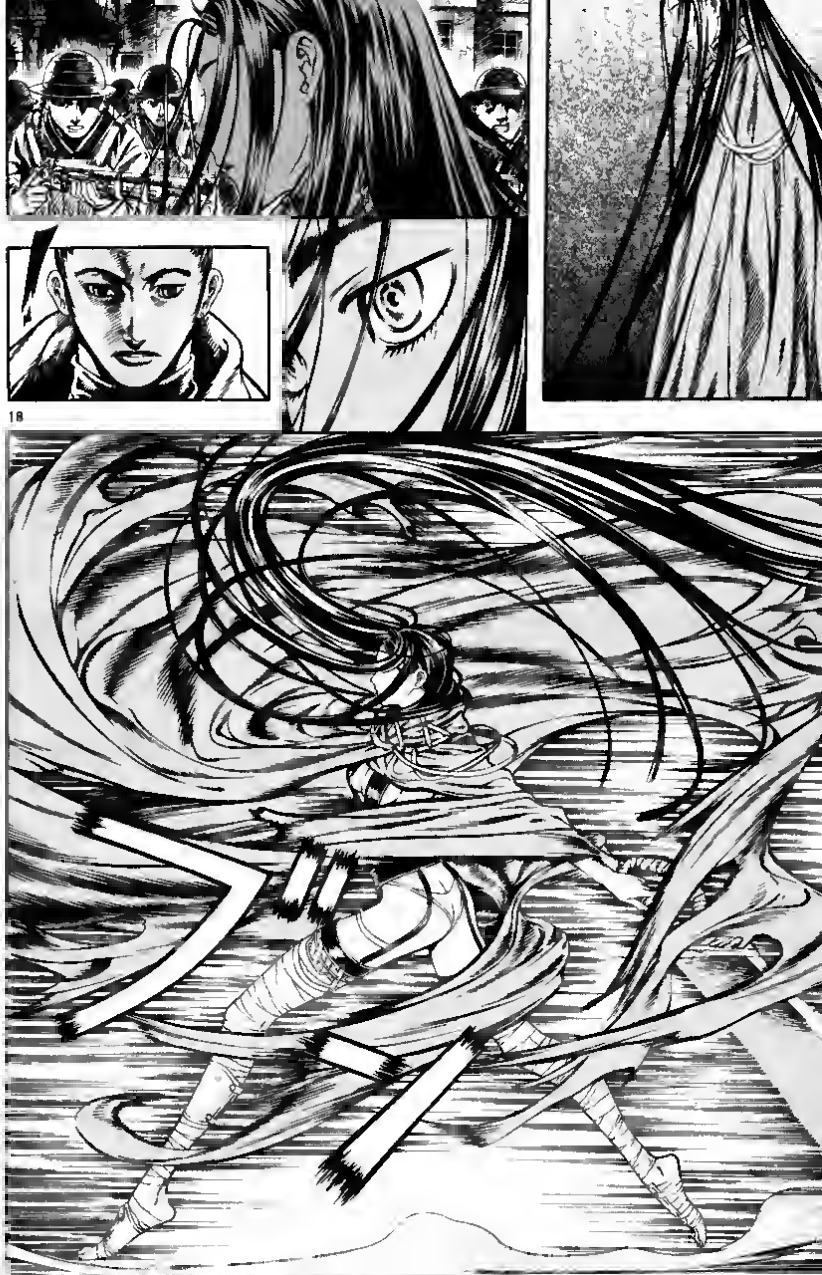
Sando.
!

I can't do that
How could I...
Go!
This is a command...
Hurry up and escape Sando...
I cant do anything now that I've lost the mahai

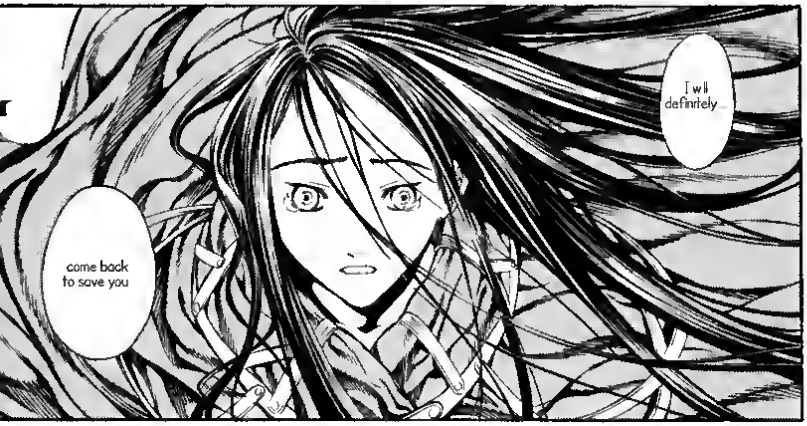


Actually ignoring our existence?
I TOLD YOU TO HURRY UP AND ESCAPE!!

HURRY UP AND GO, SANDO!
DON'T YOU UNDERSTAND WHAT I'M SAYING?!
IF YOU ARE CAPTURED, WHAT CAN WE DO AFTERWARDS?
Arrest them!
Bah.. you just don't know your place!



ドドド



I will definitely
come back to save you

21

Do you still remember the battle of Kaidaten?
General

That was a great battle we killed the main faction "Kadaten " of the evil beasts that were invading Jushin
During that hard battle thousands of compatriots lost their precious lives.

My Fuaran squad
and the Generals special forces squad both lost over half of their forces.

was all due to your great abilities.
...the reason why we were victorious

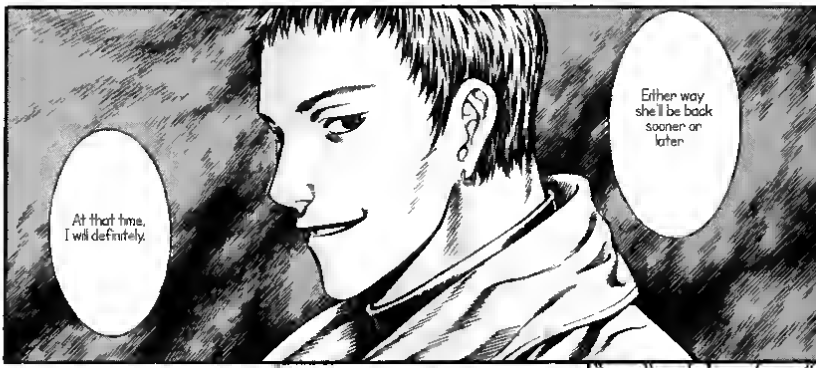
You're right

GET AWAY, SANDO!
Then do you know how I was able to deal a fatal blow to those things at that time?
IT WAS PRETTY MUCH LIKE THIS!!

ガミッ
Just barely dodged it?
She has really good luck

She has already escaped
Because that wasn't fatal

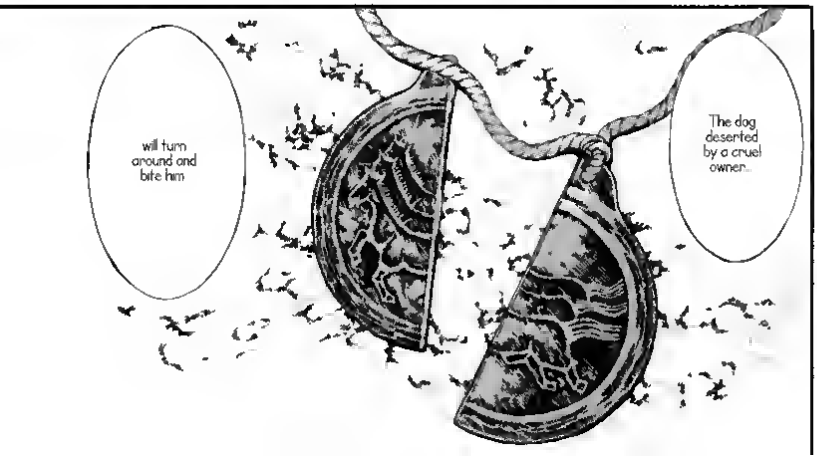
AH, SO POWERFUL!!
WHAT'RE YOU WAITING FOR? HURRY UP AND GO CAPTURE HER!
There's no need for that



Either way she'll be back sooner or later
At that time, I will definitely

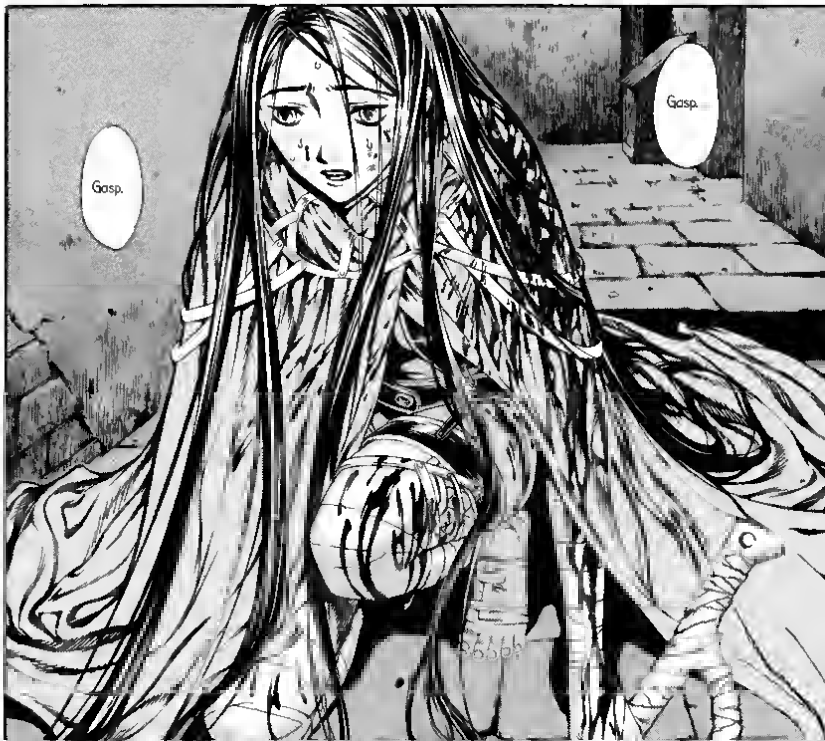
It's my hobby.
I've already told you
What was your reason Won Sull?
I only do it if it's interesting.
I'm different from you...
Why are you doing this? Is it because of Ayi Tae?

has already been completely screwed up by you and that great king of yours.
Because the life I wanted



will turn around and bite him
The dog deserted by a cruel owner...

If you're going to hate something then hate yourself...
General Munsu



Gasp.
Gasp...

ううう
うううう
ううう
うううう

What a great morning.
I've brought you a present.
This flower is very enchanting and it only blooms around here.
General Munsu...
I'll give it to you now

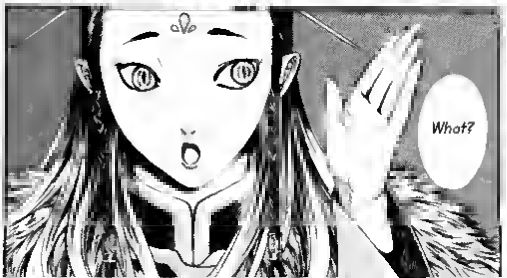
Wah!! What's wrong, Miiru-san!?
Stop~!

Pi...
How did this happen?
She's injured real bad...
Pi pi
QUACK!
QUACK!
QUACK!
.....

So it was you who asked Maru-san for help
I got it I'll patch your friend up right away

I
Wheeze



What?

Let me breathe
Breath-ing... device.
パシッ

you're like a little baby right now...
General Munsu.

?
You too

Before, you were a person who was afraid of nothing...
Oh, I do feel sorry for you.

You've changed a lot as well, Won Hyo...
Not just the outer shell... even inside, you're more and more like a real human...

Such a great general...
actually pleading with me for a breathing device
I heard you had become an Angyō Onshi
I am not that powerful yet.
It's because of a silly curse
You brought this on yourself
Your karma and
You're wrong It's not a curse

something Lord Aji Tae gave you
inescapable karma...

I've got some good news and some bad news
Which do you want to hear first?

Did he say something about it?
About my curse...

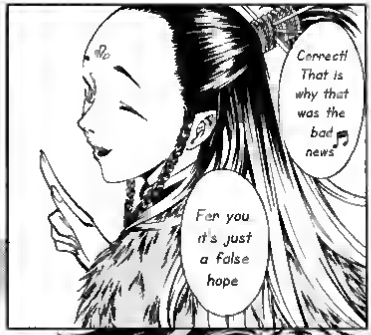
There is an Angyō Onshi in this town
Then I will tell you the bad news.

.....

Besides you
there is another Angyō Onshi who has slipped in
Actually, it's just a feeling I have.
Perhaps you can call it a corrupt governor's natural anxiety
But I can definitely feel...
the stench of an Angyō Onshi
Every night the moon would whisper to me secretly
"An Angyō Onshi will come after you."
Long before you arrived
that other one had been conspiring against me.

I'm sure that at some point Won Sul will take care of him...
but for you there is now a sliver of hope.

10



Correct! That is why that was the bad news.
For you it's just a false hope

Are you trying to say...
the greater the hope, the greater the disappointment?

Because ...
you are destined to meet Lord Aji Tae!

Then the good news?

I won't kill you
.....

Ah ah... Your eyes changed immediately
But it's too bad the Lord isn't actually here.
Aji Tae...
is really here?
At the mament Lord Aji Tae
is wandering around
I trust you know he's not a very attentive person.
He said "There are still some things to learn and then went off on a journey
Wandering around?

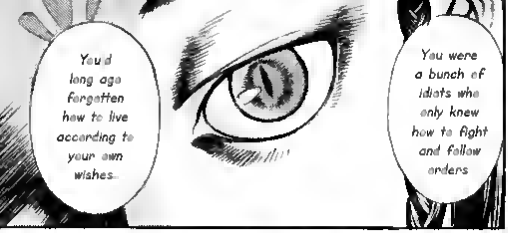
That was what the Lord said to me just before he left
Surprisingly you showed up shortly thereafter
"If we just follow fate
Could just barely missing each other be fate as well?
That is why I can't kill you.
Munsu and I will definitely meet again"
Whether at court or in private I am responsible for making sure that all the gears run smoothly
I am absolutely devoted to Lord Aji Tae

Why did you start laughing?
HAHA...
HAHA HAHA!!
Absolutely devoted?
You sound like a soldier
What are you saying?
It's like you can't escape even if you wanted to
You and Won Sul are both the same
No matter what kind of order you receive
as a soldier you must obey it
Your own thoughts are completely unimportant

You all despise me a lot... I know
But you didn't have to defect to Aji Tae's banner. Do you know...
Actually you all know perfectly well
the person who destroyed Jushin wasn't me, but Aji Tae
Is this your way of taking revenge against me?
I don't think so
To you guys it doesn't matter who it is,
as long as someone is giving you orders



You'd long ago forgotten how to live according to your own wishes...
You were a bunch of idiots who only knew how to fight and follow orders

no I should say you wanted to return to the past
Anyway you just wanted to escape...

Discarded by unscrupulous army officials...
Devoted to a country that suddenly ceased to exist...

Ah Tae saw this and so he was able to recruit you to his side
Hehehe... for him it was as easy as comforting a crying child

Back then you lost everything you believed in
Now you don't have to worry about right or wrong. All you have to do is follow orders.

As long as you've got orders you can go on
It gives you a sense of purpose.

To you idiots who had already given up thinking for yourselves
all he had to do was say "Follow me"
SFX: "BARI"=SCRATCH
We really were a bunch of idiots.
You're right.

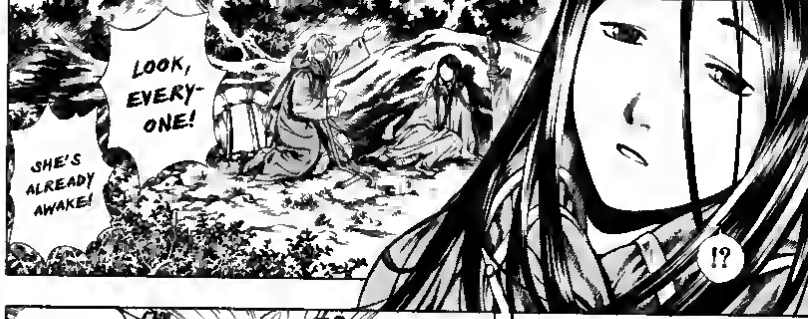
For our country... for our king's dreams
We were stupid enough to give all we had...
We were all just a bunch of...
useless puppets easily discarded
But the real puppet...
YOU, WHO KILLED THE KING AND CAUSED OUR RUIN, ARE THE REAL PUPPET!!
IS YOU WHO HAS PLAYED RIGHT INTO LORD AJI TAE'S HANDS!
PANT... PANT...
PANT...
PANT...
Eul PaSo...

But you cannot kill him.
you continue the interrogation

you have to find that other person quickly
As for Won Sul,
Hehehe– just leave it to me

Is it true!?
There's another Angyō Onshi?
As you command.
I cannot tolerate the existence of another Angyō Onshi.
I want you to bring him to see me tomorrow morning.

Also...
tonight I will perform the Ceremony of the Moon.
Prepare a sacrifice for me.
Ah...
You're finally awake?



Unfortunately I'm a poor traveler who can't even afford three meals a day
Sorry I have no money otherwise I would have taken you to a hospital

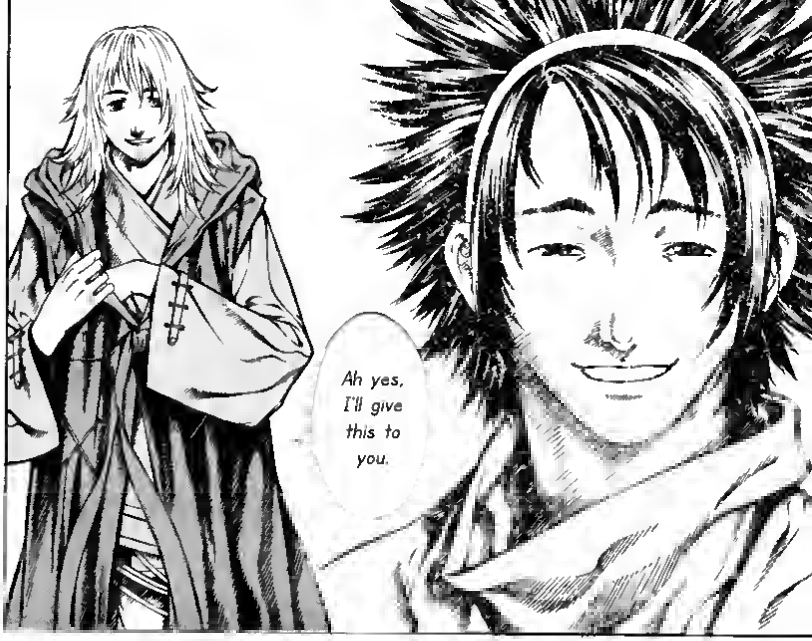
A philosopher once said...
If you close your eyes to look at nature you'll be able to feel the earth breathe
This is a famous old saying
Don't use your eyes to see use your heart to feel
Even though I try to live by this rule
my skills are lacking. I still can't do it
Can you do it?
Not relying on your eyes...
Using only your other senses to feel things

If you love and respect the world from the bottom of your heart...
Try using your heart to feel.
to clearly see this world.
You can use a third eye....
Your eyes can accurately identify an object before them...
but that very accuracy will limit your field of vision.



Ah yes, I'll give this to you.

When you wear this it will calm your heart
It's my protective charm

Only people who can understand this logic will understand the meaning behind the natural merging
Long ago, good and evil were one

Please, take it
Perhaps it will allow you to see what you want to see.

Aah...

Ah...
Are you crying?
Oh?!

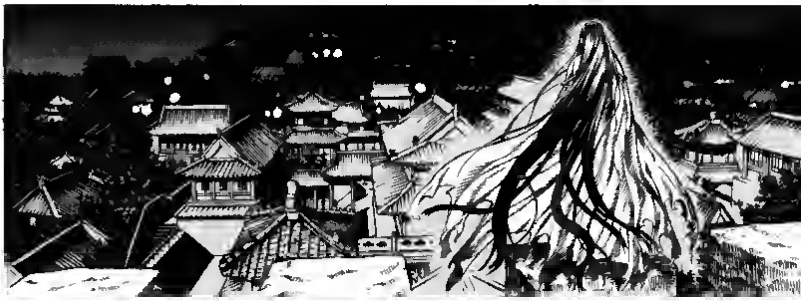
AUGH!!



Feeling frustrated!?
Trying to find General Munsu among all these buildings...
.....

Being able to get this far was pretty rough.
is really hard on you
I've waited a long time for you. Come on up!
If you can defeat me, I'll tell you where your master is!!

You have to use your senses to feel things...
Don't rely on your eyes...

Sorry. I met someone a while ago.
Ah. it's you
a very interesting lady.
She's a woman as beautiful as the moon...
You're over here?
